## EDUCATION

### B Tech - Artificial Intelligence and Data Science

Kumaraguru College of Technology, Coimbatore  
Currently in 3rd year

### HSC - Higher Secondary Certificate

AVB Matriculation Higher Secondary School,  
Coimbatore  
Graduated with 97%

### SSC - Secondary School Certificate

AVB Matriculation Higher Secondary School,  
Coimbatore  
Graduated with 97%

## MEMBER AT

### IEEE KCT SB | Computer Society

Documentation Executive

### Department Association | Artificial

Intelligence and Data Science

Blog and Documentation Coordinator

### SEDS KCT | Project Management

Team member

Hardworking Undergrad student having a great thirst of innovations. My interests are admiring creativity, persistently learning new things in the field of Cloud Computing, AI, Data Science and Web Technologies. Currently I am doing AICTE's AI-ML Virtual Internship. I am a beginner in Cloud Computing. I also have a immense interest in space science. Therefore I am working on research projects integrating Artificial Intelligence, Data Science or Machine Learning in the field of space science. I have a huge fascination on defence forces. I am looking for offline internships to enhance my knowledge in the fields of Cloud Computing and AI.

## CERTIFICATIONS

### Virtual Cloud Computing

Great Learning

### IBM AI Engineering Professional Certificate
